MGIPC—FP—52DCP Mis.—(1783)—27-5-25—39,000.

(Continuation of Note or Precis.)

73 With his letter No 1151 dated the
1.30 28th March 1892, the President Munici-
cipal Commissioner, Lahore Station of
Bengal, forwards for approval the
proposed bye-laws under Sec: 19 of
the Vaccination Act, XIII of 1880.

74 The rules have been prepared by
a Sub Committee of which the Residency
Surgeon was a member, & they have
been passed by the Commissioners.

75 In para 6 of Sl No 5, it was suggested
to the President that the rules might be
framed by following as closely as possible
approved rules of the N.W.P & Oudh
Punjab or Ajmere. It is not stated
whether this has been done. The rules
of these administrations are not avail-
in this Office in order to compare the
draft rules with them.

76 The Residency Surgeon having sat
as a member of the Sub Committee in
framing the rules, no advantage will
be gained by sending them to him
for opinion.

77 Turning to the rules, it will be
observed that most of them are but

a repetition of the provisions of the Act itself. E.g. definitions in the beginning, & rules 13, 14, 15, 16, 17, 22, 23 & 24. It is thought probably that by including these, the provisions of the Vaccination Act will be brought prominently to the notice of the public. Under Sec: 19 of this Act, the Comrs are required to frame bye-laws for the proper working of this Act, & Sec: 21 enumerates the objects which these bye-laws should provide for. The rules made for Coorg Cantonments themselves the ~~Royal~~ requirements. Vide Sr. No. 19 of Coorg Office File No. 200 of 1885. The following observations seem also called for.

Rule 1 (c) defines the "Qualified Medical Officer". Please see Sec: 6 of the Act, under which the Local Govt is authorised to fix the class of Medical Officers. Under the proposed rule, the Comrs dictate to the Local Govt what class should be recognised.

Sec: 8 of the Act empowers the Local Govt to authorise private vaccinators to perform vaccination, & issue licenses accordingly or revoke them. In rule 5 of

(Continuation of Note or Precis)

the proposed rules, a certain condition is attached by the Govt under which the Local Govt is to grant the licenses under sec: 8 of the Act. The powers of the Local Govt should not, it is submitted, be limited by a bye-law as has been proposed.

For similar reasons, the proposed rule 18 is unnecessary. If the Local Govt be satisfied that a license should be revoked, it would annul the license of its own accord, & no particular condition seems required.

In rule 22(a), it is provided that private vaccinators licensed by the Local Govt should pay a license fee of one rupee into the Municipal fund. Office is unaware under what authority the Municipality expect a fee on account of a license issued by the Local Govt.

The proposed rules do not appear to provide for the registers etc enumerated in m n & o of sec: 21 of the Act. Of course

registers & reports in connection with the vaccination work are now maintained, but some reference ought to be made in the bye-laws. Please see rule 11 of Sl. No. 19 in Conf File 200/85-1, where monthly reports are required from the Supdt. of Vaccination.

The rules are sent up to this Office for approval. Under Sec: 19 of this Act, the rules under that act should be made by the Commrs. in the manner in which bye-laws for the regulation & other matters are framed. Sections 224 to 229 of the Municipal Regulations then apply in this case. These rules should be published in the local newspapers (Sec: 226) & then sent for the Resident's confirmation. After they are confirmed, they will have effect.

If approved, the President may be referred to Sec: 19 of the Vaccination Act, and asked to have the necessary formalities complied with, in regard to the proposed rules.

(Continuation of Note or Precis)

87 Certain administrations have been asked for a copy of the rules issued by them on this subject, & on their receipt a comparison will be made with the draft rules sent up by the Municipalities. No reply seems now necessary to the President.

Submitted for favour of orders

A.S.
2-5-92 We might wait for the rules we have called for?

3.5.92

88 With letter No. 227 of 7th May 1892, the Govt. of the Punjab forward copies of the Notifications issued by that Govt. containing the rules prescribed under the Vaccination Act, XIII of 1880.

89 The rules of the N.W.P. & Oudh and Ajmere-Merwara also called for in Sl. No. 32 may be cancelled.

A.S.
14-5-92

90 With letter No. 262/V.225-18 of 11. May 1892, the Secretary to the Govt. of the N.W.P. & Oudh forwarded copies of the rules issued in those Provinces under Sec. 19 of the Vaccination Act. D. N. 35

The rules of Ajmere - Merwara may be awaited

H.
18.5.92

91 With letter No 1833. S. of the 16. June 1892, the Secy. to the Agent, G. General, Rajputana forwards a copy of the rules issued under the Vaccination Act for the Nusseerabad Cantonment. D. N. 36.

92 The rules received with Nos 34 to 36 show that what is required for the working of the Act has been provided for, & no repetition of the provisions of the Act itself has been made in the bye-laws as has been done by the Municipality in their draft bye-laws. Attention is further invited to paras 77 & 78 of note as regards the draft bye-laws. It seems necessary

and what remains now is to redraft the rules submitted, eliminating the portions which are already provided for by the act.

Please redraft rules submitted with serial 30 and send with forwarding letter to the President Municipal Commission with remarks as in para 77 and 78 of this note and send with this letter rules in other Municipalities and ask that the Sub-committees attention be called to these with a view of their including any or altering any of the rules to suit the requirements of this .

Revised draft of byelaws and draft letter to the President submitted for approval.

(I.D.) A.S.

& in accordance with the rule as approved by this office in Sl. No. 38, an additional fee of one anna per child is to be levied, after the first child presented for vaccination. The words "after the first child" have now been omitted making the payment of one anna compulsory on a single child also presented for vaccination. There seems no objection to this course inasmuch the child has to be vaccinated at a private residence. The alteration may stand.

The forms of ~~vaccine~~ certificates to be annexed to the by-laws under rule 11 have not been so attached. The original forms proposed seem correct & may now be attached, & the rules confirmed.

Draft to the President for approval.

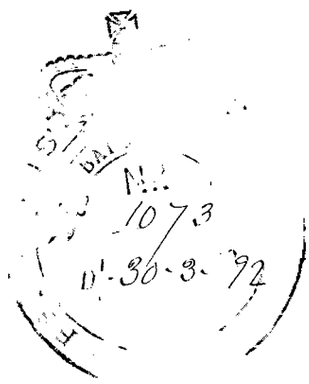
CIVIL AND MILITARY STATION,
BANGALORE.

Municipal Office, 28 March 1892



From

THE PRESIDENT,
MUNICIPAL COMMISSION,
CIVIL & MILITARY STATION,
BANGALORE.

To

First

The Assistant to the Resident in Mysore,

BANGALORE.

Sir,

I have the honor to forward a copy of Resolution of the Municipal Commissioners No 10 dated 27th February 1892, together with a copy of Sub-Committee's report on the proposed bye-laws under section 19, Vaccination Act No. XIII of 1880, for regulating the working of Vaccination in the Civil and Military Station of Bangalore, and to request that you will be so good as to obtain the Resident's

approval

approval to the same.

I have the honor to be,

Sir

Your most obt Servt

Thos Moffatt

President.

Proceedings of a meeting of the Sub-Committee, held at the Municipal Office, Mayo Hall, at 12-30 P.M. on Saturday the 23rd January 1892 for the purpose of considering the draft Rules to be framed under the Vaccination Act XIII of 1880, as resolved in the Commissioners Proceedings dated 19th December 1891, para 5.

Vice President.

Captain W. Dyson. — Present

Members.

Present.	Absent.
Surgeon Colonel Inkom.	
The Residency Surgeon.	
Mr. A.P. Campbell.	
Mr. J. Sansman.	
Mr. S. Krishna Singh.	

The Sub-Committee having assembled, and having read bye-laws, as drafted by the Sub-Committee, which assembled on the 10th November 1890, and Act Act XIII of 1880, recommend for adoption, by the Municipal Commissioners, the following bye-laws for the proper enforcement of the Vaccination Act XIII of 1880 in the Civil and Military station of Bangalore.

Bye-laws

10. 15. The parent or guardian of every child which has been vaccinated under bye-law 14 shall, on the date of inspection stated in the memorandum, take the child, or cause it to be taken, to a vaccinator for inspection, or get it inspected at his own house by a vaccinator; and such vaccinator shall then append to the memorandum a certificate stating that the child has been inspected and the result of such inspection.

Inspection after vaccination.

11. 16. When it is ascertained at the time of inspecting a child under bye-law 15 that the vaccination has been successful, a certificate shall be delivered by the vaccinator to the parent or guardian of such child to that effect, and such child shall thereafter be deemed to be protected.

Procedure when vaccination is successful.

12. 17. When it is ascertained as aforesaid that the vaccination has been unsuccessful, the parent or guardian shall, if the vaccinator so direct, cause the child to be forthwith again vaccinated and subsequently inspected in manner hereinbefore provided.

Procedure when vaccination is unsuccessful.

18. The Local Government, upon the representation of the Residency Surgeon, may cancel any certificate given under these bye-laws, if it be proved to his satisfaction that such certificate has been improperly given or obtained, and thereupon such certificate shall no longer be valid.

19. Every qualified Medical Practitioner or other authorized vaccinator, who may have successfully vaccinated any child shall forward, addressed to the Residency Surgeon, the certificate of successful vaccination, to the nearest Vaccination Station within twenty-one days from the date on which it is granted.

16. 20. No fee shall be charged by a vaccinator at a Station, or by a vaccinator inspecting the child under bye-law 15, or by a female vaccinator sent to a house under bye-law 9, for vaccinating a child, or for granting a certificate.

21. A vaccinator who by a careless operation, or by the use of lymph which he has reason to believe is impure, injures the health of a child,

(*a*) A vaccinator who refuses to give a certificate as required by bye-laws 13 and 14,

(*b*) A parent or guardian who refuses to submit a child for vaccination, or for inspection after vaccination to a female vaccinator, sent to the house under bye-law 9,

(*c*) A parent or guardian of an unprotected child who omits to obtain the vaccination of the child, under bye-law 9, or to take it to a Station and submit it for vaccination as directed by bye-law 14,

(*d*) A parent or guardian who omits to again take a child to the Station and submit it for vaccination as directed in bye-law 17,

(*e*) A parent or guardian who omits to produce a child for inspection as directed in bye-laws 15 and 17,

Shall be liable, to be dealt with under the procedure in Section 18 of the Act—*viz.* the Superintendent of Vaccination shall report the matter to the Magistrate of the District, or such Magistrate as the Local Government or the Magistrate of the District may from time to time appoint in this behalf; and the Magistrate receiving such report shall summon the parent or guardian of the child and demand his explanation, and shall, if such explanation is not satisfactory, make an order in writing directing such parent or guardian to comply with the notice before a date specified in the order.

Order of Magistrate when notice not complied with.

If on such date the order has not been obeyed, the Magistrate shall summon the parent or guardian before him, and, unless just cause or excuse is shown, shall deal with the disobedience as an offence punishable under section 22 of the Act.

Procedure when order not obeyed.

21. 22. The amount of fee chargeable by private Vaccinators is not to exceed one Rupee.

(*a*) The Local Government may by written license authorize private vaccinators to perform vaccination in any vaccination circle, and may suspend or cancel any such license. There shall be a license fee of one rupee paid into the Municipal Fund for every license by the individual who is authorized thereby to perform operations.

(*b*) The form of certificates of successful vaccination, and of unfitness for vaccination, or. of insusceptibility of vaccination, to be granted are annexed to these bye-laws.

(*c*) The lymph to be used will be arm to arm and animal lymph when procurable, the cost of lymph will be charged to the Municipal Funds.

(*d*) The fee to be charged for vaccinating with animal lymph under section 15 of the Act is not to exceed one Rupee.

22. 23. Whoever commits any of the undermentioned offences (that is to say):—

Punishment of offences.

(*a*) violates the provisions of Section 6 of the Act,

(*b*) neglects without just excuse to obey an order made under Section 18 of the Act,

(*c*) breaks any of the rules made under Section 19 or 20 of the Act or,

(*d*) neglects without just cause to obey an order made under Section 18 of the Act after having been previously convicted of so neglecting to obey a similar order made in respect of the same child,

Shall be punished as follows (that is to say):—

in the case of the offence mentioned in clause (*a*), with simple imprisonment for a term which may extend to three months, or with fine which may extend to two hundred rupees, or with both:

in the case of the offences mentioned in clauses (*b*) and (*c*), with fine which may extend to fifty Rupees : and

in the case of the offence mentioned in clause (*d*), with simple imprisonment for a term which may extend to six months, or with fine which may extend to one thousand rupees, or with both.

23. 24. The amount of all fees and fines realized, and the amount of all expenditure incurred, under the Act shall respectively be credited to and paid from the Municipal Fund.

Municipal Funds to receive fines and meet expenditure.

S. J. A.

CHIEF COMMISSIONER OF AJMERE-MERWARA.

NOTIFICATION.

Abu, the 18th September, 1888.

No. 1121—729.—In exercise of the powers conferred by Section 4 of the Vaccination Act, XIII of 1880, the Chief-Commissioner of Ajmere-Merwara is pleased, with the previous sanction of the Governor-General in Council, to extend that Act to the Cantonment of Nusseerabad.

2. In exercise of the powers conferred by Section 20 of that Act, the Chief Commissioner is pleased to make the following rules:—

Division of the Cantonment into circles for the performance of vaccination.

(Section 21), Clause (*a*). I. The area of the Nusseerabad cantonment shall form one vaccination circle.

Appointment of a place in the circle as a public vaccination station, and the posting of a distinguishing mark in a conspicuous place near such station.

Clause (*b*). II. The Cantonment Committee shall provide a vaccination office or station in a central situation in cantonments, and shall cause a board to be set up and maintained there, bearing the words "vaccination station" followed by a notice setting forth for public information the names of the "public vaccinators" and the hours of their daily attendance at the station on vaccination duty, and a notice also notifying that the "public vaccinator" will, on due request made, attend for the vaccination of children at their homes in the circle, or at some fixed central spot in each bazar to be named, and a notice that no charge will be made for vaccination, whether performed at the station or at the child's home, or at any place within the circle.

The qualification to be required of the Superintendent of Vaccination and of the Public Vaccinators.

Clause (*c*). III. The Staff Surgeon, Nusseerabad, shall *ex-officio* be Superintendent of Vaccination within the circle.

IV. A public vaccinator shall possess a certificate of qualification given by the General Superintendent of Vaccination, Rajputana, or such medical officer as the Chief Commissioner may, by order, direct in the following form:—

I hereby certify that I have examined _____, and find him qualified for the office of public vaccinator.

Dated at _____ *the* _____ *of* _____ *188* . *General Superintendent of Vaccination or Medical Officer.*

Before granting such certificate, the General Superintendent of Vaccination, Rajputana, or the medical officer appointed in this behalf by the Chief Commissioner, shall be assured of the soundness of the candidate's knowledge in regard to—

(1) The vaccination operation.
(2) The characteristics of a good vesicle and cicatrice.
(3) The collection and preservation of lymph.
(4) The chief symptoms of small-pox disease.
(5) The Vaccination Act and Rules.
(6) The forms and certificates required under the rules.

The authority with which the appointment, suspension, and dismissal of Public Vaccinators shall rest.

Clause (*d*). V. The public vaccinators shall be appointed by the Cantonment Committee, and may, for recorded misconduct, be suspended or dismissed from office by the Cantonment Committee, on the recommendation of the Superintendent.

The time of attendance of a Public Vaccinator at the vaccine station and the Public Vaccinator's place of residence.

Clause (*e*). VI. The hours of daily attendance of a public vaccinator at the vaccine station shall be fixed by the Cantonment Committee.

VII. A public vaccinator shall be a permanent resident of the circle, and shall be absent therefrom only for such periods of leave as may be granted by the Cantonment Committee.

The distinguishing mark or badge to be worn.

Clause (*f*). VIII. Public vaccinators shall at all time when engaged in the duties of their office wear a badge, in the form of a brass plate, with the words "Public Vaccinator, Nusseerabad Cantonment Circle," engraved on it.

The facilities to be afforded to people for procuring the vaccination of children at their own homes.

Clause (*h*). IX. Public vaccinators shall vaccinate children of the circle at their homes at the request of a parent or guardian, or at any place within the circle by direction of the Superintendent. They may also visit and vaccinate children residing beyond the circle at the request of a parent or guardian, and with the permission of the Superintendent.

The grant and form of certificates of successful vaccination, of unfitness for vaccination, or of insusceptibility to vaccination.

Clause (*i*). X. Certificates of vaccination shall be in the following form :—

(*a*) *Nusseerabad Cantonment Vaccination Circle.*

(Fly leaf.)	Certificate of vaccination issued on the of 188 .							
Register No.	Register No.	Vaccinated child. Name.	Sex.	Age.	Parent or guardian. Name.	Caste.	Place of abode.	Result of Operation.
								Case examined on the and found
Date of presentation .								
	NOTE.—The child herein mentioned is to be presented with the certificate for examination on							
Result	*Public Vaccinator.*							
Record of instructions .	Certified that the above is a true account of the vaccination it records. The certificate was given to with instructions to							
Public Vaccinator .	*Supdt. of Vaccination.*							*Public Vaccinator.*

The entry in the column of results should be (1) "successful," or (2) "unsuccessful," or (3) "unsuccessful for the third time."

The instruction should be (1) to "preserve the certificate," or (2) to "present the child for revaccination," or (3) to "consider further vaccination of the child unnecessary."

Instructions in Form (3) shall be countersigned by the Superintendent.

XI. Certificates of unfitness for vaccination shall be in the following form :—

(*b*) *Nusseerabad Cantonment Vaccination Circle.*

No. date	No. Certificate of unfitness for vaccination—issued on the of 188 .						
Name of Child.	Child. Name.	Sex.	Age.	Parent or guardian. Name.	Caste.	Place of abode.	Instruction.
Name of parent and place of abode.							Child to be presented for re-inspection on
Cause of unfitness .	I hereby certify that the above-named child was presented to me for vaccination this day and found unfit for vaccination for a period of						
Instructions	by reason of (Countersigned)						
Public Vaccinator .	*Supdt of Vaccination.*						*Public Vaccinator.*

XII. The public vaccinator shall issue to the parent or guardian a certificate of vaccination in form (*a*) on account of every child vaccinated on the day of vaccination, and shall complete the certificate on the day of examination, and he shall also issue to the parent or guardian a certificate in form (*b*) of unfitness for vaccination, on account of every child found unfit on the day of its examination. All cases of reported unfitness for vaccination shall be referred by the vaccinator to the Superintendent, whose countersignature to every certificate issued in form (*b*) will be necessary.

Before final delivery to the parent or guardian of any certificate, the public vaccinator shall complete and sign the entries of its fly-leaf, which shall remain bound in the book of such certificates.

Every public vaccinator shall be provided with books of the above forms (*a*) and (*b*).

The nature of the lymph to be used and the supply of a sufficient quantity of such lymph.

XIII. The lymph ordinarily used by the public vaccinator shall be human lymph supplied to the Superintendent under the orders of the General Superintendent of Vaccination, Rajputana, in tubes at the commencement of every vaccination season, and continuously preserved during the season upon ivory points charged by the public vaccinator from selected vesicles of the seventh or eighth day formed upon the arms of healthy children. An arm-to-arm vaccination shall be sedulously practised; but lymph shall not be taken for any purpose from an unhealthy or weakly child, and more specially not from a child with appearance of skin disease. In case of failure of the lymph supply at any time of the season, the General Superintenhent of Vaccination, or such medical officer as he may direct, will renew the supply in tubes. In the event of a considerable demand for vaccination with animal lymph arising in the circle, the Superintendent will cultivate such lymph for use in the circle.

Clause (*j*)

Vaccination needles and ivory points will be supplied to the public vaccinators free of charge by the Superintendent of Vaccination.

The fee to be paid to a Public Vaccinator for vaccinating a child, beyond the vaccination circle, at the request of the parent or guardian of the child.

XIV. For the successful vaccination with human lymph of a child residing beyond the circle limits, the operation and inspection being performed at the child's home, the public vaccinator shall demand a fee of four annas.

Clause (*l*).

The preparation and keeping of certain registers.

XV. The Cantonment Committee shall take measures to prepare and keep the following registers in the forms appended to these rules:—

Clause (*m*).

(*a*) Register of infants born within the circle on or after the 1st of January 1888 with record of vaccination or reason for non-vaccination in every mohulla or quarter of cantonments separately (Form I).

(*b*) Register of the names of children now resident in or brought into cantonments after the 1st of January 1888, who have not been vaccinated or have not had small-pox, such children having resided in cantonments for a month, and being, if boys, under the age of 14 years, if girls, under the age of 8 years (Form II).

XVI. The General register of vaccination performed in the circle and forms of monthly returns will be prescribed by the General Superintendent of Vaccination, Rajputana.

XVII. At the commencement of every vaccination season the Cantonment Magistrate shall cause notices to be affixed for public information, in every important portion or quarter of the circle as follows, the notices being translated into and printed in the Hindi and Urdu languages:—

Clause (*n*)

Public notice dated———	*Public notice dated———*

By Order,

E. A. FRASER, *Major*,

First Asst. to the Agent to the Govr. Genl., Rajputana, & Chief Commr., Ajmere-Merwara.

The Chief Commissioner of Coorg.

NOTIFICATION.

Camp Tittimatti, the 2nd December 1891.

No. 58. The Chief Commissioner is pleased to confirm the following vaccination rules for the municipality of Kodlipet framed by the municipal committee under sections 19 and 21 of the Indian Vaccination Act, XIII of 1880.

1. The vaccination station for the town of Kodlipet shall be the office of the Vice President, where a notice board shall be posted in a conspicuous place, stating on what day and hours vaccination will be performed.

2. The vaccinators shall be able to read and write in English as well as in the vernacular and shall satisfy the Superintendent that they have a proper knowledge of and skill in the performance of the operation of vaccination including a knowledge of the method of animal vaccination.

3. The Civil Surgeon of Coorg shall be the Superintendent of vaccination. The vaccinators shall be appointed by the Superintendent who shall have power to suspend them, and with the concurrence of the municipal committee, to dismiss them.

4. The vaccinator or vaccinators shall attend daily at the hours fixed by the Superintendent at the appointed station. When not working at the station they shall perform such house vaccination as may be required, work at schools, serve notices, &c.

5. Persons desirous of having their children vaccinated at their own houses shall apply to the Superintendent of vaccination and shall pay a fee of 8 annas per case; when more than one child is to be vaccinated, the parents or guardians of such children shall be charged 4 annas per case.

All money so realised shall be credited to imperial revenues against the grant under medical services.

6. Forms of notices regarding vaccination, certificates of successful vaccination, of unfitness for vaccination, or of insusceptibility of vaccination, shall be printed and supplied to the vaccinators, who are empowered to fill them up.

7. The lymph used shall, as far as possible, and whenever available, be animal lymph.

8. Registers of operations performed by the vaccinators shall be kept, shewing name, age, sex, parent's name, residence, date and result.

9. Registers of all children born after the date of the introduction of the Act shall be forwarded monthly to the vaccinators through the Superintendent by the Vice President. It will be the duty of the Superintendent of vaccination to take steps that every child on such register is vaccinated within one year of its birth, or that the parents are prosecuted under the Act. The register should give the following particulars:—

(1) Parent's or guardian's name.

(2) Street or road.

(3) Door number.

(4) Date of birth.

Should any child be not in a proper state of health for vaccination, a certificate to this effect shall be given by the Superintendent or the vaccinator acting under his directions, postponing the operation for as long as may be considered necessary.

10. A register (giving the same particulars as stated in paragraph 9) of all children unprotected under the age of 14 years, if boys, and of 8 years, if girls, living within the municipal limits and of such children as may be brought within those limits and have resided there over a month, shall also be prepared under the direction of the municipal parpattigar every month and delivered to the vaccinators through the Superintendent for the same purpose as in rule 9.

11. Monthly reports on the work done shall be presented to the municipal committee by the Superintendent of vaccination.

12. The vaccinators shall be provided at the municipal expense with a distinguishing mark or badge.

CHAS: W. RAVENSHAW, CAPTAIN,
Secretary to the Chief Commissioner.

Residency Press, Bangalore.—6-1-92.—20.

RESIDENT'S OFFICE.

Serial No. 38

[DRAFT]—For approval.

No. 2372 Encls 7
177.89.

To The President, Municipal Commission, Civil and Military Stati
Bangalore.

Dated 14 July 1892

Sir,

I am directed to refer you to the draft bye-laws forwarded with your letter No. 1151 dated the 28th March 1892, in connection with the working of the vaccination Act XIII of 1880, in the Civil and Military Station of Bangalore.

1-30

2. Most of the bye-laws, as submitted, are merely a repitition of the provisions of the Act itself, e.g. rules 13, 14, 15, 16, 17 and 23. Under Section 19 of the Act, bye-laws are to be framed for the proper working of the Act, and Section 21 specifies the subjects ~~which should~~ that are to be provided for. The Resident, therefore, considers

that

that a great portion of the Draft bye laws may, with advantage, be omitted, and I am to enclose, for the consideration of the Commissioners a revised draft of the bye-laws.

3. The following observations seem also called for:-

Rule 1. c. defines the term "Qualified Medical practitioner". As it is for the Local Government to fix the class of medical officers under Section 6 of the Act, no provision for this seems necessary in the bye-laws. For a similar reason, rules 5 and 18 appear unnecessary.

Rule 22 (A) provides for the recovery of a Peerpore Rupee from a private vaccinator licensed by the Local Government. The authority under which the Commissioners require such a fee should be pointed out. No Provision has been made in

Encl to No. 38

(~~Continuation of Note or Precis~~)

Revised draft B

Bye-laws framed by the Municipal Commissioners for the Local Station of Bangalore under Sec. 19 of the Vaccination Act No. XIII of 1880 for regulating the working of the Act in the Local Station.

The Local Station of Bangalore shall be divided into three or more circles as may be considered necessary by the Municipal Comm.rs for the performance of vaccination.

In each circle, a vaccine station or stations shall be established where ~~parents or guardians can have~~ their children will be vaccinated gratuitously. At each such station, a notice board shall be posted stating on what day and hours vaccination will be performed

3. The vaccinators shall be able to read & write in English as well as in the vernacular & shall satisfy the Residency Surgeon in Usungulose that they have a proper knowledge of and skill in the performance of the operation of vaccination including a knowledge of the method of annual vaccination (4) The appointment, suspension or dismissal of the vaccinators shall be made by the Residency Surgeon, ~~Head of the~~ The Superintendent of Vaccination shall be appointed by the Residency Surgeon who shall have power to suspend him & with the concurrence of the Commissioner to dismiss him.

(5) Vaccinators shall attend at the vaccine stations to which they are posted at such hours as may from time to time be determined by the Residency Surgeon, & they shall reside within the Circles in which their vaccine stations are included.

6 The Vaccinators shall be furnished with a distinguishing mark or badge which they will be required to wear while they are on duty.

7 The amount of fee chargeable by private vaccinators shall be fixed by the Residency Surgeon and shall not exceed one rupee for each case of vaccination certificates of ~~one~~ successful vaccination performed by private vaccinators shall be forwarded addressed to the Residency Surgeon, to the nearest vaccination station, within 21 days from the dates on which the certificates were granted.

If any unprotected child or the parent or guardian of such child is a female, who, according to the customs of the Country, does not appear in public, the President Municipal Commissioner or the Residency Surgeon may, on the matter being reported

to them by the Sanitary Inspector or Supt. of Vaccination, direct a female vaccinator to visit the house or in which such unprotected child resides & there deal with the child as if it had been brought to a vaccine station for purposes of vaccination.

9 If any parent or guardian, in cases which do not fall under bye-law 8, is desirous that a child should be vaccinated in his house, he may send an application accordingly to the President, municipal Commissioner, or the Residency Surgeon, accompanied by a fee of six annas for the vaccinator. If more than one child are to be presented for vaccination in the house, it should be so stated in the application, and an additional fee of one anna shall be paid for each child, after the first child, be vaccinated.

If the lymph is desired, four annas for each child to be vaccinated shall be paid. If arm to arm vaccination

is desired, a fee of eight annas (for each child) and 4 annas for every mile of distance travelled by the ~~vaccinator~~ Subject shall be paid. On receipt of such application with the prescribed fees, the Resident Surgeon shall send a vaccinator other than the vaccinator in whose circle the applicant resides.

10 Every case in which a certificate is granted under sec: 9 or renewed under sec: 13 of the Vaccination Act shall be reported by the Vaccinator concerned to the Superintendent of Vaccination.

11 The certificates of successful vaccination & of unfitness for vaccination or of insusceptibility of vaccination shall be prepared in the forms annexed to these by-laws.

12. The lymph used shall be ~~animal~~ human lymph ~~when~~ whenever available, the animal lymph, ~~which it~~ shall be provided by ~~the Municipal Funds~~ from Municipal funds.

13. The fee charged for vaccinating with animal lymph under Sec: 15 of the Vaccination Act shall be prescribed by the Residency Surgeon and shall not exceed one rupee.

14 ~~4.~~ Registers of operations performed by the vaccinators shall be kept, shewing name, age, sex, parent's name, residence, date and result.

15 ~~5.~~ Registers of all children born after the ~~date of the~~ introduction of the Act shall be forwarded monthly to the vaccinators through the ~~Superintendent~~ by the Vice President. It will be the duty of the Superintendent of vaccination to take steps that every child on such register is vaccinated within one year of its birth, or that the parents are prosecuted under the Act. The register should give the following particulars:—

(1) Parent's or guardian's name.

(2) Street or road.

(3) Door number.

(4) Date of birth.

Should any child be not in a proper state of health for vaccination, a certificate to this effect shall be given by the Superintendent or the vaccinator acting under his directions, postponing the operation for as long as may be considered necessary.

16. A register (giving the same particulars as stated in paragraph 15) of all children unprotected under the age of 14 years, if boys, and of 8 years, if girls, living within the municipal limits and of such children as may be brought within those limits and have resided there over a month, shall also be prepared under the direction of the ~~municipal~~ ~~Superintendent~~ ~~Vice President~~ ~~Municipal~~ ~~Commissioner~~ every month and delivered to the vaccinators through the ~~Superintendent~~ for the same purpose as in rule 15.

17 ~~6.~~ Monthly reports on the work done shall be presented to the municipal committee by the ~~Superintendent of vaccination~~. Residency Surgeon

MUNICIPAL NOTICE.

:o:

No. 787, dated 23rd September 1892.

THE following Revised Draft of Bye-laws framed by the Municipal Commissioners for the Civil and Military Station of Bangalore under Section 19 of the Vaccination Act No. XIII of 1880 for regulating the working of the Act in the Civil and Military Station, to be submitted to the Resident for confirmation, is published for general information:—

1. The Civil and Military Station of Bangalore shall be divided into three or more Circles as may be considered necessary by the Municipal Commissioners for the performance of Vaccination.

2. In each circle a Vaccine Station or Stations shall be established where children will be vaccinated gratuitously. At each such station a notice board shall be posted stating on what day and hours vaccination will be performed.

3. The vaccinators shall be able to read and write in English as well as in the Vernacular and shall satisfy the Residency Surgeon in Bangalore that they have a proper knowledge of and skill in the performance of the operation of vaccination, including a knowledge of the method of animal Vaccination.

4. The appointment, suspension or dismissal of the Vaccinators shall rest with the Residency Surgeon. The Superintendent of Vaccination shall be appointed by the Residency Surgeon who shall have power to suspend him and, with the concurrence of the Commissioners, to dismiss him.

5. Vaccinators shall attend at the Vaccine Stations to which they are posted at such hours as may from time to time be determined by the Residency Surgeon, and they shall reside within the circles in which their Vaccine Stations are included.

6. The Vaccinators shall be provided with a distinguishing mark or badge, which they will be required to wear while they are on duty.

7. The amount of fee chargeable by private Vaccinators shall be fixed by the Residency Surgeon, and shall not exceed one rupee for each case of vaccination. Certificates of successful vaccination performed by private vaccinators shall be forwarded addressed to the Residency Surgeon, to the nearest vaccination Station, within 21 days from the dates on which the certificates were granted.

8. If any unprotected child or the parent or guardian of such child is a female, who according to the customs of the country, does not appear in public, the President Municipal Commission or the Residency Surgeon, may, on the matter being reported to them by the Sanitary Inspector or Superintendent of vaccination, direct a female vaccinator to visit the house in which such unprotected child resides, and there deal with the child as if it had been brought to a Vaccine Station for purpose of Vaccination.

9. If any parent or guardian, in cases which do not fall under bye-law 8 is desirous that a child should be vaccinated in his house, he may send an application accordingly to the President, Municipal Commission, or the Residency Surgeon, accompanied by a fee of six annas for the vaccinator. If more than one child is to be presented for vaccination in the house, it shall be so stated in the application, and an additional fee of one anna shall be paid for each child to be vaccinated. If tube lymph is desired, four annas for each child, to be vaccinated shall be paid. If arm to arm vaccination is desired, a fee of eight annas (for each child) and 4 annas for every mile of distance travelled by the subject, shall be paid. On receipt of such application, with the prescribed fees, the Residency Surgeon shall send a Vaccinator, other than the Vaccinator in whose circle the applicant resides.

10. Every case in which a certificate is granted under Section 9, or renewed under Section 13 of the Vaccination Act, shall be reported by the Vaccinator concerned to the Superintendent of Vaccination.

11. The certificates of successful vaccination, and of unfitness for vaccination, or of insusceptibility of vaccination shall be prepared in the forms annexed to these bye-laws.

12. The lymph used shall be human lymph and, whenever available, animal lymph, which shall be provided from Municipal Funds.

13. The fee charged for vaccinating with animal lymph, under Section 15 of the Vaccination Act, shall be prescribed by the Residency Surgeon and shall not exceed one rupee.

14. Registers of operations performed by the Vaccinators shall be kept, showing name, age, sex, parents name, residence, date and result.

15. Registers of all children born after the introduction of these bye-laws, shall be forwarded monthly to the Vaccinators through the Residency Surgeon by the President of the Municipality. It shall be the duty of the Superintendent of Vaccination to take steps that every child on such register is vaccinated within one year of its birth or that the parents are prosecuted under the Act. The register should give the following particulars :—

(1.) Parents or guardian's name.
(2.) Street or Road.
(3.) Door number.
(4.) Date of birth.

Should any child be not in a proper state of health for vaccination, a certificate to this effect shall be given by the Superintendent or the Vaccinator acting under his directions, postponing the operation for as long as may be considered necessary.

16. A register (giving the same particulars as stated in paragraph 15) of all children unprotected under the age of 14 years, if boys, and of 8 years, if girls, living within the Municipal limits, and of such children as may be brought within those limits and have resided there over a month, shall also be prepared in the Municipal Office, under the direction of the President, Municipal Commission, every month, and delivered to the vaccinators through the Residency Surgeon, for the same purpose as in Rule 15.

17. Monthly reports on the work done shall be presented to the Municipal Committee by the Residency Surgeon.

H. M. S. MAGRATH,
President.

11. The certificates of successful vaccination, and of unfitness for vaccination, or of insusceptibility of vaccination shall be prepared in the forms annexed to these bye-laws.

12. The lymph used shall be human lymph and, whenever available, animal lymph, which shall be provided from Municipal Funds.

13. The fee charged for vaccinating with animal lymph, under Section 15 of the Vaccination Act, shall be prescribed by the Residency Surgeon and shall not exceed one rupee.

14. Registers of operations performed by the Vaccinators shall be kept, showing name, age, sex, parents name, residence, date and result.

15. Registers of all children born after the introduction of these bye-laws, shall be forwarded monthly to the Vaccinators through the Residency Surgeon by the President of the Municipality. It shall be the duty of the Superintendent of Vaccination to take steps that every child on such register is vaccinated within one year of its birth or that the parents are prosecuted under the Act. The register should give the following particulars :—

(1.) Parents or guardian's name.
(2.) Street or Road.
(3.) Door number.
(4.) Date of birth.

Should any child be not in a proper state of health for vaccination, a certificate to this effect shall be given by the Superintendent or the Vaccinator acting under his directions, postponing the operation for as long as may be considered necessary.

16. A register (giving the same particulars as stated in paragraph 15) of all children unprotected under the age of 14 years, if boys, and of 8 years, if girls, living within the Municipal limits, and of such children as may be brought within those limits and have resided there over a month, shall also be prepared in the Municipal Office, under the direction of the President, Municipal Commission, every month, and delivered to the vaccinators through the Residency Surgeon, for the same purpose as in Rule 15.

17. Monthly reports on the work done shall be presented to the Municipal Committee by the Residency Surgeon.

H. M. S. MAGRATH,
President.

RESIDENT'S OFFICE. *Serial No.* 41

[DRAFT]—For approval.

No. 3769 Encl. 2.
177-89

Dated 26th Nov 1892. To The President, Municipal Commissioners
(or Station of Bangalore

Sir,

In reply to your letter No. 980
dated the 8th November 1892, I
am directed to say that under
section 225 of the Bangalore Municipal
Regulations of 1883, the Resident
confirms the appended bye-laws,
which have been
framed by the Municipal Com-
missioners for the (or Station
of Bangalore under section 197
the Vaccination Act No. XIII of 1880.

I have, &c.

First Asst to Resident

S. 41

12-11-92

Extract from the Proceedings of an Ordinary meeting of the Cantonment Municipal Commission dated 11th December 1871

5. Read- Letter No: 550 dated 31st October 1871 from the Deputy Inspector General of Hospitals, Indian Medical Department, suggesting the entertainment of a staff of vaccinators at the rate of one to each Municipal Division & Ranking states that the two vaccinators at present employed under him for the purpose, are not sufficient to carry on the vaccine duties of the Cantonment satisfactorily.

Resolution. The Board entirely approve of Dr Ranking's proposition and Sanction the entertainment of four vaccinators at 10 Rs each per mensem, the additional expenditure thus incurred to be met from the reserve during the remainder of the current official year.

Sd/ J. H. Orr.
President Cantonment Comm

Extract from the Proceedings of the Mun. Commrs. of 13 August 1872.

5. Read- letter no. 34, dated 5 July 1872, from the Surgeon to the Mysore ~~Government~~ Commission suggesting for consideration of the Board that two Municipal vaccinators in addition to the two from Government would suffice for vaccine duties in the Cantonment, as the operations reported are very small.

Resolution. As the vaccinators have not been successful in obtaining Subjects and as it would appear that there is not sufficient occupation for so many as at present- resolved that the number be decreased to two as recommended by the Surgeon to the Mysore Commission. This arrangement to take place from the 1st Proximo.

(by J. H. ORR)
President
